## EXPERIENCE

October 2019 - Current

**Lead Singer The Big Bad Entertainment IIC.** | Ocala, FL

- Created and performed a dynamic, all-request piano duo show that entertained audiences with music from any and all genres throughout every decade, showcasing our ability, range, and improvisational skills.
- Researched current trends in popular music in order to stay relevant as a duo.
- Managed social media accounts by posting updates about upcoming shows or releases.
- Collaborated with my duo partner to develop unique arrangements of songs that would be specific to our shows.
- Applied knowledge of harmony, melody and voice production to individualize presentations and maintain audience interest.
- Transposed music to alternate keys to fit individual styles or purposes.
- Maintained a professional appearance while on tour or at public events.
- Traveled, sometimes great distances, to perform at venues and rehearsed to prepare for performances.

April 2015 - April 2018

**Lead Singer Dollywood Theme Park** | Pigeon Forge, TN

- Participated and performed in front of live audiences, on television, and as part of theater productions.
- Coordinated with other band members to create a unified sound.
- Played a variety of music (country, gospel, pop, and musical theater) with a broad stylistic range and improvisational flexibility.
- Learned harmonies/melodies, lyrics, scripts and movements in a short amount of time to create entertaining 30-minute to 1-hour shows
- Worked with vocal coaches and arrangers to develop and rehearse for upcoming roles.
- Learned acting and dancing skills are required for singing roles within four different shows.

February 2016 - February 2017

**Secondary Singer/BGV The Royals/ Chad McWilliams** | Pigeon Forge, TN

- Filled in as the lead vocalist on the spot.
- Managed time effectively by learning new material quickly without sacrificing accuracy.
- Analyzed lyrics for potential changes that could enhance their meaning or impact.
- Performed backup vocals with a band in live shows and recording sessions.
- Traveled frequently to perform at concerts, festivals, clubs, private events and other venues.
- Practiced regularly both alone and with groups in order to maintain skill level.
